

## Week 10: Task 3 Checklist

### The facts

- Presentations will run over two weeks, *10th and 17th October 2018*.
- This week you will be assigned your order number. This will be the order in which you will be asked to present.
- Presentations can be run from the university projector computer or your laptop.
- Each presentation will be followed with a question asked by a randomly selected student. Ask interesting questions!
- **Final process journal and slides will be due for submission on 17th October 2018, 23:00 via Canvas.** Please save slides as JPG or PDF.

### Example questions:

- Why did you choose this artwork?
- What did you find most interesting about this artist?
- What part of the process did you most/least like?
- What problem did you run into and how did you solve it?
- What is the best example of something you tried but then decided against?
- If you could pick one thing to do differently, what would it be?
- How long did it take you to do that?!

### Your presentation checklist:

- ☐ Run time of 8-10 minutes
- ☐ Tell your story from the start of the semester to now
- ☐ Present a live coding demo prototyping your product/installation
- ☐ Make sure to include the things you may have tried that didn't work
- ☐ Prepare a bunch of slides to keep us engaged
- ☐ Answer a question from one of your peers

### Your presentation will be marked on:

- Final outputs/Demo (10pts)
- Final Presentation (8pts)
- Peer Question Answered (1pt)
- Peer Question Asked (1pt)
- Process Journal Final Hand-in (10pts)
